

Overzicht publicaties onderzoek Torwash Pilot AWZI Almere

Externe rapporten:

STOWA rapport (publicatie verwacht in Q3 2020)

Artikelen in vakbladen:

NPT Procestechnologie, *TORWASH wil met techniek slibstroom voorblijven*, maart 2020.

http://npt.pmg.nl/nl/dossier/EPTbe2001W02_00

Waterforum, *TORWASH®: innovatie voor het verwerken van zuiveringsslib*, mei 2019.

<https://www.waterforum.net/torwash-innovatie-voor-het-verwerken-van-zuiveringsslib>

Inleidingen/posters tijdens workshops, congressen en symposia:

- P. Nanou, J.R. Pels, F. Sebastiani, C.M. van der Meijden, H. Kuipers, W. Driessen, J. Vogelaar, *Demonstration of a continuous TORWASH® pilot plant for sewage sludge dewatering*, to be presented at the (virtual) European Biomass Conference & Exhibition (EUBCE), 6-9 July.

- P. Nanou, J.R. Pels, F. Sebastiani, C.M. van der Meijden, H. Kuipers, W. Driessen, J. Vogelaar, *Demonstration of a continuous TORWASH® pilot plant for dewatering of sewage sludge*, oral presentation at the European Biosolids & Organic Resources Conference, 19-20 November 2019, Manchester, United Kingdom.

- P. Nanou, J.R. Pels, F. Sebastiani, C.M. van der Meijden, H. Kuipers, W. Driessen, J. Vogelaar, *Demonstration of a continuous TORWASH® pilot plant for sewage sludge treatment*, poster presentation at the 5th European Conference on Sludge management (ECSM), 6-8 October 2019, Liège, Belgium.

- P. Nanou, J.R. Pels, F. Sebastiani, C.M. van der Meijden, H. Kuipers, W. Driessen, J. Vogelaar, *Demonstration of a continuous TORWASH® pilot plant for sewage sludge: Thermal treatment, dewatering and effluent processing*, poster presentation at the 16th IWA World Conference on Anaerobic Digestion, 23-27 June 2019, Delft, The Netherlands.

- P. Nanou, *Demonstration of a continuous TORWASH® pilot plant for dewatering of sewage sludge*, TNO symposium Innovaties binnen slibverwerking, Soest, 20 juni 2019.

- P. Nanou, J.R. Pels, F. Sebastiani, C.M. van der Meijden, H. Kuipers, W. Driessen, J. Vogelaar, *Demonstration of a continuous TORWASH® pilot plant for sewage sludge: Thermal treatment, dewatering and effluent processing*, oral presentation at the 15th International Conference on Renewable Resources & Biorefineries (RRB), 3-5 June 2019, Toulouse, France.
